## ABOUT BARLETTA

Founded in 2017, Barletta was built on a commitment to putting our owners first. We're here to rethink what pontoon ownership can be, designing boats that focus on quality, comfort, and a better experience on the water.

Eight years later and the goal remains the same - we don't want to be the biggest pontoon boat manufacturer, we want to be the BEST manufacturer.

We believe in doing things differently, and it shows in every boat we create. Come along for the ride as we continue to craft exceptional products and experiences in the world of luxury pontoon boating.

# DESIGNED FOR LUXURY AND FUNCTIONALITY

Experience the perfect balance of elegance and performance with Barletta Pontoon Boats. Built to deliver exceptional comfort and uncompromising quality, our boats are engineered with thoughtful design and cutting-edge innovation. Whether you're with family, or friends, or just looking for a little "me" time, Barletta transforms every moment into something extraordinary.

## FLEXIBLE FLOORPLANS

From spacious seating arrangements and dedicated storage to innovative features like convertible lounges and open deck designs, Barletta floorplans make every outing seamless and enjoyable. Customize your adventure and make every trip your own.

## HIGH-END MATERIALS & FINISHES

Our boats are designed to make a statement, with refined finishes, elegant accents, and a timeless aesthetic that stands out on the water. Experience the tactile difference of soft-touch surfaces, stainless steel fixtures, and thoughtfully crafted designs that elevate every journey.

## MORE STANDARD FEATURES

At Barletta Pontoon Boats, we believe luxury and functionality should come standard. From superior sound systems and power biminis to USB charging ports and built-in storage solutions, Barletta ensures that convenience, comfort, and performance are included in every model.

# SUPPORTED BY TOP-TIER CUSTOMER SERVICE

At Barletta Pontoon Boats, our commitment to excellence doesn't stop at the water's edge. We're proud to back every boat with industry-leading customer service that ensures your ownership experience is as smooth as your time on the water. From the moment you choose Barletta, you're supported by a dedicated team that's here to answer your questions, provide expert advice, and keep your pontoon in peak condition. With a nationwide network of trusted dealers and responsive support, we're with you every step of the way.

# CONSTRUCTED FOR THE SMOOTHEST AND QUIETEST RIDE

Glide across the water like never before with Barletta Pontoon Boats. Engineered for unmatched stability and comfort, our boats feature innovative designs and premium construction that deliver an effortlessly smooth ride in any condition.

From V.I.P. Technology to advanced pontoon technology, every detail of our patented chassis is designed to minimize noise and ensure a steady, enjoyable experience for you and your passengers. No matter what body of water you call “home”, Barletta guarantees a ride as refined as the boat itself.

## V.I.P. TECHNOLOGY

Vibration Isolation Pads virtually eliminate any rattle or vibration you might experience where like metals meet.

## HYBRID CROSSMEMBERS

A hybrid combination of crossmembers creating the strongest deck structure in the industry.

## DUAL-STAGE LIFTING STRAKES

Designed to get you up on top of the water quickly and efficiently. Includes multi-species drainage ports.

## FULL BELLY SKIN

Protects your underdeck from the water and the elements. It also keeps splashing water from affecting performance.

## EXTENDED MOTOR POD

Better performance, better functionality and eliminates the need for tilt restrictors.

## HEAVY DUTY NOSECONES

Built for big-water and higher horsepower applications, Barletta's nosecones are reinforced to help cut through the water.

## TAKE IT FROM AN EXPERT

Nobody knows BIG water like Sig Hansen, Captain of the Northwestern on Discovery Channel's Deadliest Catch. The newest addition to the Barletta family, Captain Sig takes delivery of his Barletta Lusso L23M and puts the vessel through it's paces on the Puget Sound, busting the “big water pontoon boat myth.”
